

ATTENTION!!!...CALLING ALL JUNIOR GOLF FANS-

Tanglewood is very excited to announce our 2019 lineup for junior golf. We hope all of you had a wonderful winter season, but now it is time to start thinking about the summer! Our goal this year is to provide an in depth junior program so that our children are well aware of what golf can do for them. You will have the ability to play as a family, creating lasting memories or have your child/children learn this incredible game we call golf. Below is a summary of each program we are going to provide this year. Along with the bullet points I have attached the rest of the information for each program, as well as all required registration forms. We hope to see you at Tanglewood soon and thank you so much for your loyalty throughout the years.

Notice: Some of the clinics/leagues have limited participation so the rule will be first come first serve. In previous years, some camps SOLD OUT quickly...So Sign Up Now!!!
