

## 2019 Junior Golf Program

**Beginning June 18th, we will meet each Tuesday at 5:30-7:30 thru August 6.** Each clinic will feature a different aspect of the game. The clinics are designed to introduce your children to the basics of golf. Our main goal is to learn a little and have a lot of fun!! As we have done in the past few years, we will be splitting our time between the range and golf course.

**We will be offering the Family Membership again this year.** If you participated in this membership program last year thanks for making it a SMASH HIT! If you didn't participate, we strongly encourage it! For an additional \$100, your family members can play seven days a week after 4:00 pm from Memorial Day thru Labor Day! There are some restrictions and a nominal fee each time you play but the **time spent on the course as a family will be cherished by all.**

The above program will focus on these and other golf related topics:
